Re: Settlement with Citigroup

Dear Mr. Gould regarding this settlement enclosed Mr. C. H. Kinsey and I refuse to sign these settlement papers. We will not give up our rights to a trial against Citifinancial. We are seeking monetary damages as a result of alleged wrong doing related to our loans. Due to facts this is our rejection. This litigation will proceed in the tort system. The truth must be revealed. By signing these statements would darken the truth. Whatever the judge award will be acceptable

Respectful  
Yours Mrs Jan Kinsey
